

GUIDED PAYMENTS

Powered by Priority Business Solutions

REFERRAL PARTNER PROGRAM

Make an introduction. Build a rewarding partnership.

Know a business owner who needs a better payment setup? Introduce them to Guided Payments. We help them explore their options, and you can earn compensation when your referral becomes a customer.

01

Connect

Tell us about yourself and become a referral partner.

02

Introduce

Connect us with a business owner who wants help.

03

Get rewarded

Earn when your referral signs up under your agreed terms.

HELP YOUR NETWORK MOVE FORWARD

Introduce business owners who are reviewing processing costs, choosing a POS system, opening a location, or exploring new ways to accept payments.

Solutions we can discuss

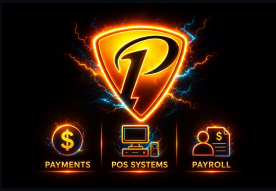

Payment processing and merchant services / POS systems

Online and mobile payments / Payroll and funding options

Support for your introductions

Priority Business Solutions provides industry education, product information, and marketing materials to help referral partners make informed introductions.

Ready to join? Complete the interest form on page 2.

BECOME A REFERRAL PARTNER

Start with a conversation.

Share your details below. Sean will follow up to discuss the program, answer your questions, and explain the next steps.

How compensation works

Payments may be structured as a lump sum or ongoing residuals over the life of the account. Confirm eligibility, amounts, timing, and terms with Sean before referring.

Your name

Business / organization (optional)

Email address

Phone number

Return your completed form

Save a copy after filling it in, then email it to Sean. You can also call to discuss becoming a referral partner.
